

**HAPPY
'KISS'MAS!**

From left to right: Thabo runs to where everyone has gathered for the new arrival. "Well hello! One sniff, one kiss then ... not interesting enough, don't know what all the hoo-haa is about!" (Ntombi left, Thabo right). Thabo then wanders off and does a little exploring around the Avis rental bakkie, the rangers and guests!

Handler Alyson chats to Lawrence and Peter giving full details of the trip from Moholoholo, Limpopo. Thabo remains uninterested in Ntombi. Ntombi is 8 months old and weighs 300kgs, Thabo is 6 months old and clocks in at just less than 200kgs!

Frankie welcomes Ntombi to the Thula family.
Right: Thabo & Ntombi have settled well at Thula.
